## OBTAINING VERIFIED SOFT COPY OF DEGREE

As per earlier directions of UGC, JUET, Guna had in January 2020, completed uploading digitally verified degrees of all batches for Academic Years 2010 to 2019 on NAD being hosted by the designated agency, NDML (NSDL Database Management Limited).

However UGC vide their DO Letter F.1-46/2020(NAD/Digilocker) dated 30 June 2020 has stated that NAD shall now be implemented only by Digilocker through the Ministry of Electronics and Information Technology (MeitY) ie by government agency and previous arrangement with NDML stands concluded. We have accordingly communicated in writing to NDML, Digilocker & UGC for linking our earlier uploaded digital documents on NAD from NDML to Digilocker. We have also impressed upon agencies involved to expedite linking of our already uploaded digital documents on NAD from NDML to Digilocker. A number of video conferences have also been held with representatives of Digilocker & Government of MP, Higher Education Department on way ahead to progress uploading of degrees for future batches. As a de novo effort we will first upload degree certificates of 2020 pass out batch in Digilocker.

In view of above, digitally verifiable degrees will presently not be available through NAD. The existing practise of obtaining scanned e copies of degrees duly certified by Registrar will continue.
