## Awards/Honors/Recognition

- Dr. Jitendra Kanungo has been awarded with IEEE Senior Membership in December 2025.

## Patent/Design/Copyright

- Nitesh Pandey et al. registered a design titled “CARRIER LIFTING ROBOT”, Design No. 469218-001 with Patent Office, India, November 2025.
- Kamini Bhasin et al. published a patent titled “A machine learning-driven system tool for automated grammar correction and contextual feedback in English writing”, Application No: 202541091924 A, with Patent Office, India on October 31, 2025.
- Nitish Pandey et al. registered a design titled, “Crop Cum Grass Cutter Robot”, Design No. 469157-001 on October 21, 2025.
- Deepak Sharma et al. published a utility patent entitled “Compact Microstrip Bandpass Filter with Parallel Interdigital Capacitors and Cascaded Square Open Loop Resonators”, Application No.202521086035 with the Patent Office, India in October 2025.
- Dr. Shefali Sharma et al. registered a design titled “Jaw Based Microwave Oven”, Design No. 469247-001 with the Patent Office, India in October 2025.
- Dr. Shefali Sharma et al. registered a design titled “High Pressure Cleaning Robot”, Design No. 469245-001 with the Patent Office, India in October 2025.
- Nitesh Pandey et al. registered a design titled “FIRE FIGHTING ROBOT”, Design No. 469220-001 with Patent Office, India, October 2025.
- Nitesh Pandey et al. registered a design titled “SERVING ROBOT”, Design No. 469221-001 with Patent Office, India, October 2025.
- Nitesh Pandey et al. registered a design titled “SPRAYER ROBOT”, Design No. 469222-001 with Patent Office, India, October 2025.

## Ph.D. Awarded

- Ph.D. degree has been awarded to Shikha Pandey (203D002) by University for her thesis titled, “Soft Computing Based Studies on Cathodically Protected Reinforced Concrete Slabs”, under the supervision of Dr. Sumit Gandhi and Dr. Yogesh Murthy Aiyer in November 2025.

## Promotions & Appointments

- Col. Rajeev Kumar (Retd.) joined the University as Registrar.
- Dr. Malti Nagle (CSE) and Dr. Animesh Kumar Dubey (CSE) joined University as Assistant Professor (SG).
- Mrs. Reenu Rajpoot (CSE) joined the University as Assistant Professor (G-II).
- Dr. Jitendra Kumar Sahu (Chemistry) joined the University as Assistant Professor (G-I).

## Alumni Achievements

- Mr. Sobil Dalal, alumnus of B.Tech. ECE batch 2010–14, joined Exante, County Dublin, Ireland.
- Mr. Jatin Mahajan, alumnus of B.Tech. ECE batch 2007–11, joined BoxInnovate AI, Chandigarh as Co-Founder.

## Gandhi Jayanti Celebration

The birth anniversaries of Rashtrapita Mahatma Gandhi Ji and Late Shri Lal Bahadur Shastri, former Prime Minister of India, were observed on October 02, 2026.

## Constitution Day Celebration

Constitution Day was observed on November 22, 2025 at Jaypee University of Engineering and Technology, Guna, with the objective of highlighting the history, framing, and enduring significance of the Indian Constitution. The program was coordinated by Dr. Kamini Bhasin and Dr. Sandeep Srivastava and witnessed active participation from 120 students. The event featured informative discussions, student presentations, and curated video screenings that explained the constitutional values, fundamental rights, and duties of citizens. Through these interactive activities, the program successfully enhanced students' awareness of constitutional principles and encouraged them to appreciate the role of the Constitution in strengthening democracy and responsible citizenship.

## Intellectual Property Awareness Program

An Intellectual Property Awareness Program was conducted on October 09, 2025 at JUET, Guna, under the aegis of the Intellectual Property Office, India. The program was coordinated by Dr. Kamini Bhasin and was designed to enhance awareness and understanding of intellectual property rights among participants. The session provided valuable insights into the importance of protecting intellectual creations and highlighted the role of intellectual property in fostering innovation, research, and academic excellence.

## Campus Calling – POSH Awareness Workshop

The Campus Calling–POSH Awareness Workshop was organized under the initiative of the National Commission for Women, in collaboration with Yuvamanthan, at Jaypee University of Engineering and Technology, Guna (M.P.). The session aimed to enhance awareness among students regarding the Prevention of Sexual Harassment (POSH) Act, gender sensitivity, safety measures, and women empowerment policies. The session was coordinated by Dr. Kamini Bhasin.

## 150 years Celebration of Vande Mataram

On November 07, 2025, India marked the 150th anniversary of the composition of the iconic patriotic song Vande Mataram by Late Shri Bankim Chandra Chattopadhyay. To commemorate this historic milestone, Jaypee University of Engineering and Technology, Guna, organized a special session on November 22, 2025. The program featured a concise presentation on the historical background of Vande Mataram, its pivotal role in India's freedom movement, and its literary significance. Informative videos were screened, followed by interactive discussions that highlighted the emotional, cultural, and nationalistic essence of the song. The session fostered a strong sense of patriotism among students and enabled them to appreciate the enduring legacy of Vande Mataram as an integral part of India's national heritage.

## VERTEX-2025

VERTEX 2025, Central India's largest innovation fest, was successfully held at Jaypee University of Engineering and Technology from November 14-16, 2025. The three-day event provided a vibrant platform for innovation, entrepreneurship, and industry-academia collaboration, bringing together students, startups, investors, and experts from across the country.

A major highlight was the Ideathon, which attracted 67 student innovators (45 boys and 22 girls) from Madhya Pradesh and Himachal Pradesh, including Indore, Bhopal, Ujjain, Gwalior and Wagnaghat. Participants presented innovative, solution-oriented ideas addressing real-world challenges. The fest also hosted 20 startup founders and 6 investors, enabling valuable interactions on entrepreneurship and funding, along with 6 distinguished speakers from academia and industry.

To encourage early innovation, 80 school students attended the event over two days, gaining exposure to emerging technologies and JUET's innovation ecosystem. This event was organized under the overall coordination of Dr. Prateek Pandey, with Mr. Divyanshu Shrivastav as Student Advisor, VERTEX 2025 successfully reinforced JUET's commitment to innovation, entrepreneurship, and experiential learning.

## Tachyon 2025

Tachyon 2025, the annual technical festival of Jaypee University of Engineering and Technology, was successfully held during November 07-09, 2025, transforming the campus into a vibrant centre of innovation, creativity and student engagement. Conducted across venues such as Tagore Hall, Nehru Plaza, Lecture Theatres and the AB Corridor, the three-day event witnessed enthusiastic participation from nearly 1600 students across disciplines. The festival provided a dynamic platform for students to showcase technical skills, creativity and teamwork through a diverse mix of technical, managerial and fun-based events.

**Day 1** commenced with an inaugural ceremony at Tagore Hall, followed by engaging activities like Ideathon, Laser Tag and club-led interactive events.

**Day 2** focused on core technical competitions, including coding, robotics, gaming and analytical challenges, highlighting innovation and applied learning.

**Day 3** featured advanced technical events, exhibitions, team challenges and valedictory sessions, concluding the festival on a high note.

Tachyon 2025 was organized by the Jaypee Youth Club in collaboration with departmental student clubs, Tachyon 2025 was seamlessly executed with the dedicated efforts of students, volunteers, and faculty. Overall, the festival reaffirmed JUET's commitment to holistic student development, fostering innovation, leadership, and experiential learning beyond the classroom.

## Quami Ekta Week

The National Service Scheme (NSS) unit organized academic and awareness programs titled “The Power of Voice” and “Voices of Unity” on November 21, 2025 to mark Quami Ekta Week (19–25 November). The programs aimed to strengthen students’ oratory skills, raise awareness of national and social issues, and promote unity, responsible citizenship and democratic values. Sessions emphasized the role of youth in nation-building through effective communication and social responsibility. Students actively participated in discussions on national integration and social harmony. The event included a lecture on the relevance of Quami Ekta Diwas, commemorating the birth anniversary of Late Smt. Indira Gandhi, symbolizing national unity.

## Medical Camp

A medical camp under the Unnat Bharat Abhiyan (UBA) was organized at Shripura village on December 16, 2025. The program was conducted by the UBA team in collaboration with the University Medical Center. Fifteen members from the university, including Shri D. S. Ahuja (Chief Executive Officer), Prof. D. K. Rai (Vice-Chancellor), Col. Rajeev Kumar (Retd.), and Dr. C. P. Langiya (Senior Consultant, JUET Medical Center), participated and ensured its successful execution. The CEO, Vice-Chancellor and Registrar of university highlighted the importance of the camp and reiterated the objectives of UBA. Dr. Langiya spoke about the common health problems in rural areas and emphasized the need for early diagnosis, especially for economically and socially weaker sections. Around 45 patients were examined for various ailments and essential medicines were provided free of cost.

## Unnat Bharat Abhiyan

The Unnat Bharat Abhiyan (UBA) cell of the university organized following activities:

- In line with NEP 2020 and Sewa Parv-2025, a session on the role of Bharatiya Bhasha in teaching-learning was held on October 01, 2025, encouraging the use of Indian languages for inclusive and effective education; faculty and students participated.
- On October 10, 2025, a vaccination, deworming and Vitamin A supplementation camp was conducted at Jay Jyoti School for 120 children (4-12 years) with the support of Anganwadi workers, teachers and parents.
- A medical camp was organized at Shripura village on December 16, 2025, in association with the Medical Center, JUET. Around 45 patients were examined and provided with medicines, while senior members of the University highlighted the objectives of UBA and the importance of early diagnosis for rural communities.

### **Conference/Seminar/Webinar/Workshop/FDP participated**

- Dr. Divya Jain delivered an invited talk on the occasion of National Mathematics Day 2025 at Govt. P.G. College, Aron (M.P.) on December 23, 2025.
- Mr. Abhishek Singh attended a one-week Short Term Residential Program on “Data Analytics,” organized by MMTTC, University of Hyderabad under the MMTTP, UGC, during December 22-27, 2025.
- Dr. Mukesh Chandra delivered an invited talk titled “Structural, Raman and Magnetic Insights into YIG Nanolayers Deposited on Silicon Substrates via Pulsed Laser Deposition”, at the International Conference on Nanomaterials and Optoelectronic Properties (ICNOP-2025), Jawaharlal Nehru University, New Delhi during December 17-19, 2025.
- Dr. Animesh Kumar Dubey attended AICTE–ATAL Academy Faculty Development Program on “Recent Advances in AI and ML: Bridging Research and Industry”, at Birla Institute of Technology, Off Campus Jaipur during December 15-20, 2025.
- Dr. Vikram Singh Chouhan presented a paper entitled “Investigating the Mediating Role of Burnout and the Moderating Influence of Emotional Intelligence on the Relationship between Toxic Leadership and Organizational Commitment among Vocational Business Educators”, at the 2nd Bilsel International Erzurum Scientific Researches Congress, Erzurum, Türkiye during December 06-07, 2025.
- Dr. Animesh Kumar Dubey completed the “NEP-2020 Orientation and Sensitization Program”, under Malaviya Mission Teacher Training Program (MM-TTP) of UGC, organized by UGC–Malaviya Mission Teacher Training Centre, Doctor Harisingh Gour Vishwavidyalaya, Sagar, M.P. during December 01-12, 2025.
- Dr. Rahul Pachauri attended one-week AICTE–ATAL Faculty Development Program on “AI-Driven IoT for Smart and Sustainable Systems”, organized by Motilal Nehru National Institute of Technology, Allahabad during December 01-06, 2025.
- Dr. Animesh Kumar Dubey completed Virtual APEX FDP on “IoTDE”, during November 17-December 12, 2025.

- Prof. Vipin Tyagi, Prof. Sanjay Garg, Prof. Mahesh Kumar and Dr. Kunj Bihari Meena attended one-week AICTE–ATAL Faculty Development Program on “Addressing Defamation Claims in the Age of Deepfake: Protecting Security and Privacy in Democratic India”, organized by University Institute of Technology, RGPV, Bhopal during November 17-22, 2025.
- Dr. Dilip Kumar Sharma, Dr. Bali Ram Gupta, Dr. Divya Jain and Dr. Vaibhav Bisht completed the Faculty Development Program on “Addressing Defamation Claims in the Age of Deepfake: Protecting Security and Privacy in Democratic India”, organized by University Institute of Technology, RGPV, Bhopal during November 17-22, 2025.
- Dr. Sandeep Srivastava completed ATAL Academy Faculty Development Program on “Addressing Defamation Claims in the Age of Deepfake: Protecting Security and Privacy in Democratic India”, organized by University Institute of Technology, RGPV, Bhopal during November 17-22, 2025.
- Prof. Vipin Tyagi, Prof. Sanjay Garg and Dr. Kunj Bihari Meena attended one-week AICTE–ATAL Faculty Development Program on “Generative AI Fluency”, organized by NASSCOM during November 10-15, 2025.
- Dr. Subodh Kumar Singhal participated in the ATAL FDP on “Intelligent Connectivity: AI-Driven Evolution in Next-Gen Communication Networks”, during November 03-08, 2025.
- Dr. Dilip Kumar Sharma, Dr. Bali Ram Gupta, Dr. Divya Jain and Dr. Vaibhav Bisht completed the Faculty Development Program on “Empowering Higher Education Institutions in Technology Enabled Learning and Blended Learning”, organized by the University of Lucknow and CEMCA (COL) during October 29-November 03, 2025.
- Dr. Rajesh Kumar Vishwakarma completed the FDP on “Technology Enabled and Blended Learning”, COL-CEMCA during October 29-November 03, 2025.
- Dr. Sandeep Srivastava, Dr. Vikram Singh Chouhan, Dr. Sandeep Arya, Dr. Kamini Bhasin, Mr. Neeraj Jain, Dr. Shekhar Singh and Dr. Tamanna Agarwal participated in a five-day Faculty Development Program on “Empowering Higher Education Institutions in Technology Enabled Learning and Blended Learning”, during October 29-November 03, 2025.
- Dr. Deepak Sharma completed the ATAL FDP on “Generative AI Fluency”, organized by NASSCOM during October 27-November 01, 2025.
- Dr. Prateek Pandey attended one-week AICTE–ATAL Faculty Development Program on “Advancing Assistive Technologies for Inclusive Living”, organized by the College of Engineering Trivandrum during October 13-18, 2025.
- Dr. Deepak Sharma participated in the ATAL FDP on “Advancing Assistive Technologies for Inclusive Living”, organized by College of Engineering, Trivandrum during October 13-18, 2025.
- Mr. Abhishek Singh attended a two-week online NEP 2020 Program on “NEP 2020 Orientation & Sensitization Program under (MMTTP),” organized by North-Eastern Hill University, Shillong during October 06-15, 2025.
- Dr. Sandeep Srivastava, Dr. Tamanna Agarwal, Dr. Sandeep Arya, Dr. Kamini Bhasin and Dr. Shekhar Singh attended one-week AICTE–ATAL Faculty Development Program on “Reimagining Business Education for Industry 5.0: Pedagogies, Skills and Sustainability”, at IPS Academy during October 06-11, 2025.
- Dr. Prateek Pandey attended one-week AICTE–ATAL Faculty Development Program on “From Goals to Outcomes: Designing Education for Measurable SDG Impact”, organized by Teerthanker Mahaveer University during October 06-11, 2025.
- Dr. Deepak Sharma participated in the ATAL FDP on “From Goals to Outcomes: Designing Education for Measurable SDG Impact”, organized by Teerthanker Mahaveer University during October 01-November 06, 2025.

- Prof. Mahesh Kumar and Dr. Prateek Pandey completed a three-month online course on “Basics of Remote Sensing, Geographical Information System and Global Navigation Satellite System”, organized by IIRS, Dehradun during August 25-November 21, 2025.
- Dr. Dilip Kumar Sharma completed the Faculty Development Program on “Basics of Remote Sensing, Geographical Information System and Global Navigation Satellite System”, organized by ISRO–IIRS Nodal Centre in collaboration with Jaypee University of Engineering and Technology, Guna during August 25-November 21, 2025.
- Dr. Prateek Pandey completed a 12-week NPTEL MOOC on “Deep Learning”, with Elite plus Gold badge during July-October 2025.

## Conference/Seminar/Webinar/Workshop/FDP organized

- MES organized the Webinar titled “Emerging pathway a sustainable energy future”, on November 22, 2025, delivered by Mr. Sushil Kumar Sharma, CEO-Sustaineco, Former GM-NTPC Ltd.
- A webinar on “IP Awareness/Training Program”, under National Intellectual Property Awareness Mission organized by Intellectual Property Office, India and coordinated by Dr. Divya Jain and Dr. Kamini Bhasin on October 09, 2025.

## AI Skills Upgraded

AI/ML skills are upgraded by following faculty members through ATAL FDP/Spring board/MOOC certification:

**Civil Engineering:** Prof. Sumit Gandhi, Dr. N. K. Samaiya, Dr. D. K. Shukla

**Chemical Engineering:** Dr. K. N. Gupta, Dr. Rahul Shrivastava

**Chemistry:** Prof. Rashmi Tyagi

**Computer Science & Engineering:** Prof. Vipin Tyagi, Prof. Sanjay Garg, Prof. Mahesh Kumar, Dr. Prateek Pandey, Dr. Rahul Pachauri, Dr. Amit Kumar, Dr. Ajay Kumar, Dr. K. B. Meena, Dr. Gaurav Saxena, Dr. Jitendra Parmar, Ms. Sarita Sahni

**Electronics & Communication Engineering:** Prof. Narendra Singh, Dr. Ravi Kumar, Dr. Rajesh K Vishwakarma, Dr. Jitendra Kanungo, Dr. Shefali Sharma, Dr. Subodh Kumar Singhal, Dr. Deepak Sharma, Dr. Rishika Chauhan

**Humanities & Social Sciences:** Dr. Vikram Singh Chouhan, Dr. Kamini Bhasin, Dr. Shekhar Singh

**Mechanical Engineering:** Dr. Bhagat Singh, Dr. Yashwant Kumar Modi, Dr. Amit Sharma, Dr. Subas Chandra Dash, Dr. Rohit Mishra, Dr. Amiya Kumar Sahoo, Md Tasnim Arif, Mr. Abhishek Singh,

**Physics:** Dr. Deepak Kumar Rai, Dr. Pradeep Kumar, Dr. Manish Kumar Vishwakarma

**Mathematics:** Dr. Dilip Kumar Sharma, Dr. Bali Ram Gupta, Dr. Divya Jain. Dr. Vaibhav Bisht

## Student Activities

- CHEF conducted the following events in Tachyon-2025 held during November 8-9, 2025:
  - Detective Byomkesh : November 09, 2025
  - Suck it up : November 09, 2025
  - Oil Extraction : November 08, 2025
  - Sewage Treatment Plant : November 08, 2025
  - Go Slow : November 08, 2025
- MES committee has organized the technical fest 2025 during November 07-09, 2025. Following activities were conducted successfully:
  - Suspension car drive challenge
  - Hokey bow challenge
  - Water jet Rocket
  - Gear box disassembly and assembly challenge
  - Model exhibition
