Founder Chairman, Jaypee Group

INFRASTRUCTURE FACILITIES | INSTRUCTION FACILITIES

122-acre eco-friendly campus
World-class infrastructure
IT-enabled AC classrooms
100% air-cooled hostel

High-speed internet
FSSAI-certified mess (5-star
Eat Right Rating)
Fully equipped gym
Swimming pool

24/7 water & electricity
Functional medical center
Outdoor & indoor sports
On-campus banking

Well-stocked physical & e-library
Additional amenities: cafeteria,
tuck shop, barber shop, book shop,
multipurpose shop, vegetable and
fruit shop

Message from the Hon'ble Vice Chancellor

It gives me immense pleasure to present the April-June 2026 edition of our University Magazine, which captures the vibrant spirit and diverse achievements of our university community.

The accomplishments of our students, faculty, researchers, and staff during the quarter reflect our collective commitment to academic excellence, innovation, research, and holistic development.

I congratulate everyone whose dedication and efforts have contributed to this edition. I encourage the entire university community to continue striving for excellence, embracing new opportunities, and making a meaningful and positive difference in society.

I wish all our readers an enriching and inspiring experience as they explore the stories, achievements, and contributions featured in this issue.

Prof. D.K. Rai

Vice Chancellor

Awards/Honors/Recognition

- Dr. K. L. Dhaker was recognized as Computer Science & Engineering (CSE) Discipline Star by NPTEL and IIT Madras for successfully completing 64 weeks of certification courses during the January–June 2026 session.

Promotions & Appointments

- Dr. Ankur Mudgal (CSE) has been promoted to Assistant Professor (SG) from Assistant Professor (G-II).

Industrial Visit

- One-day educational industrial visit at NFL, Vijaipur on April 16, 2026 was organized for B.Tech. 2nd and 3rd year students of the Electronics & Communication Engineering and Civil Engineering departments.
- An E-Waste Collection Drive was organized by the students of IETE Student's Forum (ISF) on May 01, 2026 to promote the safe disposal of obsolete electronic items and encourage responsible e-waste management and environmental sustainability.

Student Achievements

- Deepak Dhakad (231E007), BTech 3rd year student of Mechanical Engineering presented a paper titled "Energy Conservation Analysis of an Academic Building: A Case Study of Ramanujan Bhawan at Jaypee University of Engineering & Technology, Guna" at the Asia Pacific SDG & Sustainability Summit 2026, organized by the Environment and Social Development Association (ESDA India) at India International Centre, New Delhi, during June 20-22, 2026. Co-authors: Dr. Manoj Dubey, Dr. Pankaj Dumka.

TEDx JUET-2026

TEDx JUET-2026 an independently organized TED event was hosted by Jaypee University of Engineering & Technology (JUET), Guna, under the global TED theme of “Ideas Worth Spreading.” held on April 11, 2026. The event embraced the theme “UNTETHERED,” inspiring participants to transcend intellectual, technological, social, and personal boundaries. The event featured 11 eminent speakers from diverse fields, including space technology, artificial intelligence, software engineering, entrepreneurship, governance, sustainability, law, education, and social advocacy.

The event featured an inspiring lineup of distinguished speakers representing technology, innovation, entrepreneurship, governance, law, sustainability, education, and social advocacy. Ashok Kumar Sharma from ISRO-ISTRAC shared valuable perspectives on India's space programme, while Farooq Chisty of Brevo PushOwl highlighted the transformative role of artificial intelligence in modern businesses. Google Software Engineer Vishal Bachchas offered insights into careers in the technology industry, and coding educator Inderjeet Bhagat emphasized the importance of accessible technical education.

The event also showcased thought-provoking talks beyond technology. JUET alumnus and LGBTQ rights advocate Sarvagya Soni spoke on inclusivity and acceptance, while sustainability influencer Vidhi Adhikari encouraged environmentally responsible living. Faraz Ahmad Qureshi, Additional Commissioner (Indirect Taxes & Customs), shared his experiences in public administration and governance, and legal expert Vedika Dave discussed legal awareness with special emphasis on women's rights and family law. Adding further inspiration, Alok Gaur highlighted the significance of happiness and purpose-driven living, Barrakha Agrawal shared entrepreneurial insights from the logistics sector, and Mukesh Mangtani, Founder of Safarnama, motivated the audience to embrace personal growth through travel, exploration, and storytelling. Their inspiring talks encouraged innovation, leadership, inclusivity, and purpose-driven living.

The event was supported by GAIL Vijaypur and National Fertilizers Limited (NFL), whose sponsorship contributed to its successful execution. Feedback from participants and speakers was overwhelmingly positive, highlighting the quality of the sessions, excellent organization, warm hospitality, and professional event management.

The programme was organized by a dedicated student team (Yash Singhal, Shreyansh Tripathi, Ajitesh Awasthi, Ashish Chhabra, Mihika Jain, Jainam Shah, Ritesh Mehta, Yash Pathak, Tanya Rathore, Shreyansh Trpathi, Siddhi Jain, Shreyansh Mishra, Shivdev Shukla, Shejal Dubey, Vedika Shivhare, Puru Asthana, Unnati Mishra, Naitik Chitransh and Pushkar Dubey) under the guidance of Dr. Divya Jain and Dr. K.B. Meena.

CodeSrijan-2026: National Hackathon

CodeSrijan-2026, a 72-hour national-level flagship hackathon, was hosted by the Development & Innovation Center (DIC) at JUET, Guna, MP. The event was held from April 16-18, 2026. It brought together young innovators from schools and colleges across the country. The hackathon provided an excellent platform to showcase creativity, technical expertise, and problem-solving skills.

At the college level, 176 students participated in 49 teams. The event also attracted 29 participants from outside the university. They represented the states of Madhya Pradesh, Uttar Pradesh, Rajasthan, Maharashtra, Bihar, and Delhi. Their participation reflected the growing national recognition of the hackathon. At the school level, 40 students participated in 10 teams. These teams represented seven schools from the Guna and Ashoknagar districts.

The students displayed remarkable enthusiasm, innovation, and technical aptitude throughout the competition. The hackathon promoted collaboration, innovation, and entrepreneurial thinking among participants. It encouraged students to develop practical solutions to real-world challenges. The successful organization of the event reaffirmed JUET's commitment to fostering innovation and nurturing young talent through impactful national-level initiatives.

Outreach Activities by UBA and NSS Teams

- April 22, 2026: The Unnat Bharat Abhiyan (UBA) team of the university organized a career counseling session and quiz competition at Village Raghunathpura. The programme aimed to enhance the general knowledge, awareness, and learning abilities of school students while motivating them to pursue higher education and explore various career opportunities. University student volunteers actively participated in the event.

- April 29, 2026: Another team of the Unnat Bharat Abhiyan (UBA) Committee visited Sar-Sahela Village and distributed essential stationery items to school children. The team also conducted an awareness programme highlighting the importance of education and encouraging students to continue their studies. University student volunteers actively participated in the activity.
- The National Service Scheme (NSS) Unit of the university organized an awareness programme on "Significance of Education" at Sar-Sahela Village on April 29, 2026. The programme witnessed enthusiastic participation from students, faculty members, parents, and local community members, promoting the importance of education and lifelong learning.
- On the occasion of National Technology Day, May 11, the NSS Unit organized a webinar on "Technology, Innovation and Sustainable Growth – Building a Better Tomorrow Together." The keynote address was delivered by Dr. Rakesh Kumar Phanden, TNE Convener and Sessional Academic, Victoria University, Australia, who highlighted the role of technology and innovation in creating public value and advancing sustainable development.

Workshop on Startup Legal and Ethical Steps

A workshop on "Startup Legal and Ethical Steps" was organized on May 03, 2026. The session introduced participants to the legal and ethical aspects of starting and managing a business. It covered business registration, legal compliance, intellectual property rights, contracts, taxation, and ethical responsibilities. Participants also learned the importance of transparency, accountability, and responsible business practices. The workshop helped aspiring entrepreneurs understand the role of legal awareness and ethics in building sustainable startups. Dr. Kamini Bhasin organized and moderated the workshop.

Workshop on IPRs and IP Management

A workshop on "Intellectual Property Rights (IPRs) and IP Management for Startups" was organized on May 04, 2026, to enhance participants' understanding of intellectual property protection, innovation, and startup growth. The workshop covered key aspects of patents, copyrights, trademarks, industrial designs, intellectual property filing procedures, and IP management strategies for startups.

STARTUP LEGAL AND ETHICAL STEPS
Build Your Startup on a Strong Legal Foundation with Ethical Values

DATE
3 MAY 2026

OBJECTIVES

- ✓ To create awareness about the legal requirements involved in establishing and operating a startup.
- ✓ To familiarize participants with ethical business practices and professional responsibilities.
- ✓ To provide knowledge about company registration, intellectual property rights, compliance, and startup regulations.
- ✓ To encourage responsible entrepreneurship through ethical decision-making and sustainable business practices.

SESSION HIGHLIGHTS

- Business Registration and Legal Structure
- Intellectual Property Rights and Protection
- Contracts, Compliance and Taxation
- Ethical Practices and Professional Responsibility

ORGANIZED BY
JUET, Guna

MODERATED AND ORGANIZED BY
Dr. Kamini Bhasin
Dr. Kamini Bhasin, Member IIC
Assistant Professor-SG
Department of NSS

JAYPEE UNIVERSITY OF ENGINEERING & TECHNOLOGY, GUNA
In association with
Rajiv Gandhi National Institute of Intellectual Property Management (RGNIPM), Nagpur
(Ministry of Commerce & Industry, Govt. of India)
Under National Intellectual Property Awareness Mission (NIPAM)

Online Workshop on
INTELLECTUAL PROPERTY RIGHTS (IPR) & IP MANAGEMENT FOR START UPS

DATE
4th May 2026

TIME
10:00 AM – 11:00 AM

MODE
Online
(Webex / Link will be shared)

SPEAKER
Dr. Bharat N Suryawanshi
Assistant Controller of Patents & Designs
RGNIPM, Nagpur

E-CERTIFICATES
will be given to all participants who attend the programme

NO REGISTRATION FEE

WHO CAN ATTEND?
UG / PG Students, Faculty Members, Researchers

Participants also gained insights into government initiatives, startup support schemes, and the role of intellectual property in safeguarding innovations, attracting investment, and building a competitive advantage. The programme proved highly beneficial for students, researchers, and aspiring entrepreneurs by strengthening their awareness of intellectual property rights and their significance in fostering innovation-driven entrepreneurship. Dr. Tamanna Agarwal moderated the workshop.

Blood Donation and Hemoglobin Screening Camp

The NSS Unit and Youth Red Cross (YRC) Unit of the JUET, in association with the Indian Red Cross Society and Government Hospital, Guna, organized a two-day Blood Donation Camp at the JUET Medical Centre during May 07-08, 2026. The camp aimed to promote voluntary blood donation among students, faculty, staff, and the local community. A total of 115 individuals underwent hemoglobin screening and blood group testing to assess their eligibility for blood donation.

The health screening was conducted under the supervision of qualified medical professionals to ensure the safety of both donors and recipients. During the camp, 54 units of blood were voluntarily donated by students, faculty, and staff members, contributing to the community blood supply and promoting the spirit of social responsibility.

Session on Business Model Canvas (BMC) & Business Model Fit

A session on "Business Model Canvas (BMC) & Business Model Fit" was organized on May 05, 2026. The objective was to develop participants' understanding of business model design, innovation, and entrepreneurial planning. The session introduced the nine building blocks of the Business Model Canvas, including customer segments, value propositions, channels, customer relationships, revenue streams, key resources, key activities, key partnerships, and cost structure. Through startup case studies and interactive team-based activities, participants learned how to structure, evaluate, and refine business ideas for sustainable growth. Startup examples and interactive activities helped participants understand business model design and innovation. The session enhanced entrepreneurial thinking, strategic planning, teamwork, and business model development skills among aspiring entrepreneurs. Dr. Tamanna Agarwal and Dr. Sandeep Srivastava organized and moderated the session.

SESSION ON

BUSINESS MODEL CANVAS AND BUSINESS MODEL FIT

Design Your Model.
Validate Your Fit. Build Your Future.

 **DATE**
5 MAY 2026

 **OBJECTIVES**

- ✓ To understand the components of the Business Model Canvas and how they create value.
- ✓ To learn how to design scalable and sustainable business models.
- ✓ To explore methods for testing Business Model Fit with real market validation.
- ✓ To build the ability to iterate and adapt business models based on feedback and metrics.

 **SESSION HIGHLIGHTS**

- Introduction to Business Model Canvas
- Building Blocks of a Successful Business Model
- Business Model Fit: Concepts & Importance
- Validation Techniques & Tools
- Iterate, Improve & Scale: From Idea to Impact

 **VENUE**
LT8

 **TIME**
4:00 PM

 **TARGET AUDIENCE**
Students, Entrepreneurs,
Faculty & Innovators

FDP on Embedded Systems and IoT

The Department of Electronics and Communication Engineering, Jaypee organized a one-week online Faculty Development Program (FDP) on "Embedded Systems and Internet of Things (IoT)" from May 26-June 01, 2026. The FDP covered key aspects of embedded systems and IoT, including embedded system architecture, microprocessor and microcontroller programming, interfacing techniques, IoT frameworks, communication protocols, and IoT application development.

The sessions provided participants with a balanced understanding of both theoretical concepts and practical implementation of modern embedded and connected systems. The program was coordinated by Dr. Shefali Sharma and Dr. Manish Patidar, while the expert sessions were delivered by Dr. Shefali Sharma, Dr. Manish Patidar, Dr. Ranu Gupta, and Dr. Subodh Kumar Singhal.

Around 75 faculty members from reputed institutions across India participated in the FDP, making it a highly enriching and successful academic event.

Farewell Adios

ADIOS'26, the farewell celebration for the graduating batch, was organized on May 16, 2026 in Tagore Hall. The event was conducted by the Cultural Wing, JYC, to honor the achievements of the final-year students and bid them a memorable farewell. It celebrated their academic journey and recognized their contributions to the university community. The program also aimed to strengthen the bond between students and faculty while encouraging creativity, leadership, and active participation through cultural activities.

The event commenced with the traditional lamp-lighting ceremony by the Hon'ble Vice Chancellor, Prof. D. K. Rai, along with other distinguished dignitaries. The ceremony symbolized the beginning of a new chapter in the lives of the graduating students. It was followed by inspiring addresses from faculty members and student representatives.

The speakers reflected on their shared experiences, academic accomplishments, and cherished memories at the university. They also motivated the graduating students to pursue their future aspirations with confidence and determination.

The cultural programme was the highlight of the event. Students presented a variety of vibrant performances, including music, dance, and drama, which showcased their talent, creativity, and enthusiasm. The beautifully themed decorations enhanced the festive atmosphere of the venue. Photo sessions with friends, faculty members, and mentors added warmth and nostalgia to the occasion, allowing everyone to preserve memories of this special day.

The event was coordinated by Dr. Yashwant Kumar Modi (Faculty In-charge, Cultural Wing), Mr. Arnav Kumar (General Secretary, JYC), and Mr. Ankit Raj (Secretary, Cultural Wing). Their meticulous planning, dedicated efforts, and effective coordination ensured the smooth execution and grand success of ADIOS'26, making it a memorable farewell for the graduating batch.

Conference/Workshop/FDP participated

- Mr. Ravindra Kumar Goliya attended the IEI Technical Webinar on "Int.PE Certification: From Process to Recognition & Mobility", organized by The Institution of Engineers (India) on May 29, 2026.
- All faculty members of the ECE Department, Dr. Rahul Pachauri and Dr. Gaurav Saxena attended the One-week Online Faculty Development Programme (FDP) on "Embedded Systems and IoT", organized by the Department of Electronics & Communication Engineering, JUET, Guna, during May 26 - June 01, 2026.
- Dr. Shefali Sharma, Dr. Ranu Gupta, Dr. Manish Patidar, and Dr. Subodh Kumar Singhal delivered expert lectures on various topics during the One-week Online FDP on "Embedded Systems and IoT", organized by the Department of ECE, JUET, Guna, during May 26 - June 01, 2026.
- Dr. Tamanna Agarwal completed a 12-day Refresher Course on "Sustainability Benchmarking and Performance Metrics Tools for Assessing Long-Term Environmental Impact" under the MMTTP of UGC, organized by IIT Kharagpur, during May 25 - June 06, 2026.
- Dr. Abhishek Verma attended the One-week National-level Online FDP on "Next-Gen Teaching with AI: Integrating Tools, Techniques and Transformative Learning Practices", organized by the Department of Civil Engineering, Dr. D. Y. Patil Institute of Technology, Pimpri, Pune, during May 25 - 30, 2026.
- Prof. Vipin Tyagi, Prof. Sanjay Garg, Prof. Mahesh Kumar, Dr. Prateek Pandey, Dr. Rahul Pachauri, Dr. Dinesh Kumar Verma, Dr. Amit Kumar, Dr. Ajay Kumar, Dr. Amit Kumar Srivastava, Dr. K.B. Meena, Dr. Gaurav Saxena, Dr. Jitendra Parmar, Dr. Animesh Kumar Dubey, Dr. Ankur Mudgal, Mr. Navaljeet Singh Arora, Mrs. Reenu Rajput, Mr. Sourabh Bhaskar, Ms. Sarita Sahni, Dr. Nitin Kumar Samaiya, Mr. Ravindra Kumar Goliya, Dr. Rishika Chauhan, Dr. Shefali Sharma, Dr. Manish Patidar, Dr. Subodh Kumar Singhal, Dr. Shekhar Singh, Dr. Tamanna Agarwal, Dr. Sandeep Arya, Dr. Sandeep Srivastava, Mr. Neeraj Jain, Dr. Dilip Kumar Sharma, Dr. Divya Jain, Dr. Bali Ram Gupta, Dr. Vaibhav Bisht, Dr. Jitendra Kanungo, and Dr. Pankaj Gupta successfully completed the 40-hour (3-credit equivalent) FDP on "Agentic AI", jointly organized by IIITDM Jabalpur, IIT Kanpur, and MNIT Jaipur under the MeitY-funded E&ICT Academy, during 18 – 29 May 2026.
- Dr. Divya Jain, Dr. Bali Ram Gupta, Dr. Jitendra Kanungo, Dr. Rajesh Kumar Vishwakarma, Dr. Yashwant Kumar Modi, Dr. Pankaj Gupta, Md Tasnim Arif, Dr. Nitin Kumar Samaiya and Dr. Sandeep Srivastava attended the Intellectual Property (IP) Awareness/Training Programme, organized by the Intellectual Property Office, India, under the National Intellectual Property Awareness Mission (NIPAM) of the Ministry of Commerce & Industry, Government of India, held on May 15, 2026.
- Prof. Sumit Gandhi, Dr. Nitin Kumar Samaiya, Dr. Shrinarayan Yadav, Mr. Ravindra Kumar Goliya, Dr. Yashwant Kumar Modi, Mr. Arun Arya, Dr. Rahul Pachauri, Dr. Shefali Sharma, Dr. Rajesh Kumar Vishwakarma and Dr. Kamini Bhasin attended the webinar on "Technology, Innovation and Sustainable Growth", organized by the NSS Unit, JUET, Guna, on the occasion of National Technology Day held on May 11, 2026.
- Dr. Pankaj Gupta attended the "AI Tools Workshop", organized by Be10X, on May 10, 2026.
- Prof. Sumit Gandhi, Dr. Amit Sharma and Dr. Jitendra Kumar Sahu attended the online FDP on "Data-Driven Intelligence: AI & ML for Next-Generation IT Systems", organized by the Department of Information Technology, PCET's MMIET, Talegaon, Pune, during May 04 - 08, 2026.
- Dr. Vikram Singh Chouhan attended the National Webinar on "IP and Sports - Ready, Set, Innovate", conducted by Turnip Innovations in association with Qualcomm, on April 24, 2026.
- Dr. Rajesh Kumar Vishwakarma served as a Virtual Session Chair at the 15th International Conference ICRCET-2026, organized by Primus School of Management Studies in association with IFERP Academy, Bengaluru, during April 22 - 23, 2026.

- Ravi Kumar successfully participated in the One-week Online FDP on "Quantum Machine Learning and Quantum Deep Learning: Theory, Algorithms, and Applications (QCAI-2026)", organized by Anant Gyan Knowledge and Skills Pvt. Ltd., during April 13 - 18, 2026.
- Dr. Ranu Gupta presented the research paper titled "Explainable AI for Diabetic Retinopathy Screening: Enhancing Clinician Trust in Deep Learning Predictions" at the 2026 Contemporary Computing Innovations Conference (CCIC), an IEEE Conference, held in April 2026.

Conference/Workshop/FDP Organized

- Department of CE conducted an expert talk on 'Intellectual Property Right (IPR)' on the occasion of 'World Intellectual Property Day' on April 27, 2026. Speaker: Dr. C. V. Siva Rama Prasad, CEO Global Research Academy & AQUA Publications. Prof. Sumit Gandhi was the coordinator.
- Department of CSE organized a webinar on "Empowering Students for Industry Expectations: Skills, Training, and Placement Strategies" on June 04, 2026. Speaker of the webinar: Mr. Vinay Joshi, Vice President, Infosys Limited, California, USA. Dr. Rahul Pachauri was the coordinator.
- Department of ECE organized a one-week Faculty Development Program (FDP) on "Embedded Systems and IoT" from May 26 - June 01, 2026. Dr. Shefali Sharma and Dr. Manish Patidar were the coordinators.
- The Department of CSE organized a Faculty Development Programme (FDP) on "Agentic AI", jointly organized by IIITDM Jabalpur, IIT Kanpur and MNIT Jaipur from May 18 - 29, 2026.

Certificate Courses /Online Courses

- Dr. Ranu Gupta completed the certification course on "Digital Application Fundamentals (STEM)", organized by IT-ITeS SSC, NASSCOM on June 30, 2026.
- Dr. Ranu Gupta completed the certification course on "Agile Methodology", organized by Infosys Springboard on June 29, 2026.
- Dr. Jitendra Parmar successfully completed the course "Prompt Engineering" by Infosys Springboard on June 29, 2026.
- Dr. Ranu Gupta and Dr. Manish Patidar completed the certification course on "Artificial Intelligence", organized by Infosys Springboard on June 27, 2026.
- Dr. Prateek pandey successfully completed the course "Introduction to Transformer Models for NLP" by Coursera on June 27, 2026.
- Dr. Neha Sharma successfully completed the course "Generative AI for Software Developers" by Coursera on June 25, 2026.
- Dr. Vikram Singh Chouhan completed a certification course on "Artificial Intelligence Primer Certification" organized by Infosys Springboard on June 13, 2026
- Dr. Shefali Sharma completed the certification course on "Explore Machine Learning using Python" on June 08, 2026.
- Prof. Rashmi Tyagi completed the online course "Master in HPLC Technique (Liquid Chromatography)" on Udemy on May 27, 2026.
- Ravi Kumar completed the 13-week professional certification course "AI Agents for Everyone & AI Bootcamp with 100 Hands-on Labs", offered on Udemy by the School of AI, comprising 35.5 hours of hands-on training on May 25, 2026.
- Dr. Pankaj Gupta successfully completed the "Generative AI Mastermind" programme conducted by Outskill in May 2026.
- Dr. Ranu Gupta completed the certification course on "Electronics Course", organized by Infosys Springboard on April 01, 2026.
- Dr. K. L. Dhaker successfully completed the NPTEL course "Mathematical Foundations for Machine Learning", conducted by IISc Bengaluru during January - April 2026.
- Prof. Rashmi Tyagi completed the online course "Carbon Capture Usage and Storage" on Udemy on April 25, 2026.

जेपी यूनिवर्सिटी ऑफ इंजीनियरिंग एंड टेक्नोलॉजी (JUET) में आयोजित हुआ TEDxJUET'26

गुना। जेपी यूनिवर्सिटी ऑफ इंजीनियरिंग एंड टेक्नोलॉजी (JUET) में "Untethered" थीम के साथ नवाचार और स्वतंत्र सोच का सशक्त संदेश दिया। कुलपति प्रो. डी.के. राय एवं रजिस्ट्रार कर्नल राजीव कुमार (सेवानिवृत्त) की उपस्थिति में टैगोर हॉल में हुए।

इस आयोजन में 100 श्रोताओं के बीच 11 वक्ताओं ने अपने प्रेरक विचार साझा किए। आलोक गौर, फराज अहमद कुरेशी (IRS), अशोक कुमार शर्मा (ISRO), फारूक चिश्ती (AI विशेषज्ञ), विशाल बच्छस (गूगल) सहित अन्य वक्ताओं ने नेतृत्व, तकनीक, समावेशिता और जीवन के अनुभवों पर प्रभावशाली वक्तव्य दिए। मुकेश मंगतानी की भावनात्मक कहानी और विधि अधिकारी द्वारा 4R (Reduce, Reuse, Recycle, Refuse) पर प्रस्तुति विशेष आकर्षण रही। सांस्कृतिक प्रस्तुतियों में गीत और नृत्य ने कार्यक्रम को और जीवंत बनाया। डॉ. दिव्या जैन एवं डॉ. के.वी. मोना के मार्गदर्शन और छात्र टीम के समन्वय से आयोजन सफल रहा। GAIL, SBI, NFL और PNB के सहयोग से संपन्न यह कार्यक्रम विचारों की शक्ति को नई दिशा देने में सफल रहा।

जिला चिकित्सालय में लगा नशा मुक्ति और स्वास्थ्य परामर्श शिविर

भारत संवाददाता | गुना

इंडियन रेड क्रॉस सोसाइटी के सहयोग से जिला चिकित्सालय में नशा मुक्ति एवं स्वास्थ्य परामर्श शिविर का आयोजन किया। शिविर का संचालन डॉ. भाटी के नेतृत्व में किया गया, जिसमें बड़ी संख्या में मरीजों ने पहुंचकर स्वास्थ्य परीक्षण कराया।

शिविर में डॉ. पीएन. धकड़, डॉ. अंकित खुर्वशी एवं डॉ. देवकीनंदन शिविर ने मरीजों का परीक्षण कर उन्हें परामर्श और औषधियां उपलब्ध कराईं। चिकित्सकों ने नशी से होने वाले दुष्प्रभावों के बारे में जानकारी देते हुए लोगों से स्वस्थ जीवनशैली अपनाने की अपील की। कार्यक्रम में रेडक्रॉस से जुड़े डॉ. रामवीर सिंह खुर्वशी, प्रदीप जैन, चंद्रश जैन, संजय राठी, डॉ. लखन धकड़ एवं संगीता सिंह भाटी सहित कई स्वास्थ्य नगरिक उपस्थित रहे।

जेपी यूनिवर्सिटी मेडिकल सेंटर में 7 और 8 मई को आयोजित रक्तदान शिविर में युवाओं ने उत्साहपूर्वक भाग लिया। इंडियन रेड क्रॉस सोसाइटी के बैनर तले आयोजित इस शिविर में अब तक 10 यूनिट ब्लड एकत्र किया जा चुका है। शिविर का आयोजन यूथ रेड क्रॉस यूनिट के गठन के साथ किया गया, जिससे युवाओं में सामाजिक सेवा और रक्तदान के प्रति जागरूकता बढ़ी है। आयोजकों ने बताया कि रक्तदान शिविर 8 मई को भी जारी रहेगा और अधिक से अधिक लोगों से रक्तदान करने की अपील की गई है। रक्तदान को महानदानी बताने हुए लोगों को जरूरतमंद मरीजों की सहायता के लिए आगे आने का संदेश दिया गया।

आयोजन • कलेक्टर बोले- छोटी सहायता भी किसी के जीवन में ला सकती है बड़ा बदलाव रेडक्रॉस सेवा सप्ताह के समापन पर हुआ सम्मान समारोह, रक्तदाता और समाजसेवी हुए सम्मानित

भास्कर संवाददाता | गुना

रेडक्रॉस सोसाइटी द्वारा सेवा सप्ताह के समापन अवसर पर जिला चिकित्सालय स्थित रेडक्रॉस भवन में सम्मान समारोह आयोजित किया गया। कार्यक्रम में रक्तदान, समाजसेवा एवं रेडक्रॉस गतिविधियों में उत्कृष्ट योगदान देने वाले रक्तदाताओं, समाजसेवियों एवं स्वयंसेवकों का सम्मान किया गया। समारोह में जिले के विभिन्न क्षेत्रों से जुड़े नागरिकों की उपस्थिति रही।

कार्यक्रम में बताया गया कि हाल ही में भोपाल में आयोजित राज्यपाल सम्मान समारोह में रेडक्रॉस भवन में आयोजित समारोह में कलेक्टर श्री कन्हाल संचालन एवं व्यवस्थाओं के लिए गुना कलेक्टर किशोर

गुना। समापन अवसर पर सम्मानित करते हुए अतिथिगण।

कुमार कन्हाल का चयन किया गया था। इस अवसर पर उनके प्रतिनिधि द्वारा सम्मान प्राप्त किया गया था। रेडक्रॉस भवन में आयोजित समारोह में कलेक्टर श्री कन्हाल सहित अन्य समाजसेवियों और

रक्तदाताओं को भी सम्मानित किया गया। समारोह को संबोधित करते हुए कलेक्टर किशोर कुमार कन्हाल ने कहा कि प्रशासन का उद्देश्य केवल सहायता उपलब्ध करना नहीं, बल्कि

बल्कि जरूरतमंद लोगों को आत्मनिर्भर और सक्षम बनाना भी है। उन्होंने कहा कि कई बार छोटी-सी सहायता राशि भी किसी व्यक्ति के जीवन में बड़ा परिवर्तन ला सकती है।

उन्होंने कहा कि गुना जिले का मौसम अपनी विशेषताओं के लिए जाना जाता है, जहां गर्मी और सर्दी दोनों का प्रभाव अधिक रहता है। ऐसे समय में जरूरतमंदों की सहायता करना सामाजिक दायित्व है। उन्होंने जनसुनवाई के माध्यम से महिलाओं, बुजुर्गों एवं दिव्यांगजनों को सहायता उपलब्ध कराने के प्रयासों की जानकारी भी दी। कार्यक्रम में रेडक्रॉस सोसाइटी के पटविकारी, चिकित्सक, समाजसेवी, रक्तदाता एवं बड़ी संख्या में नागरिक उपस्थित रहे।
