A one-week workshop

On

"National Higher Education Qualification Framework in Context of NEP 2020"

The Internal Quality Assurance Cell (IQAC) of Jaypee University of Engineering and Technology (JUET), Guna, Madhya Pradesh, successfully organized a one-week workshop on "National Higher Education Qualification Framework (NHEQF) in Context of NEP 2020" from July 10 to July 15, 2023. This workshop was conducted to provide faculty members with insights and guidance on implementing the NHEQF in alignment with the National Education Policy (NEP) 2020. The workshop aimed to equip faculty with the necessary knowledge to incorporate modern educational standards into JUET's academic structure.

Schedule of the Workshop:

- **10 July 2023:** *Evolution of University System in India*
- **11 July 2023:** *NEP in Context of JUET*
- **12 July 2023:** *Outcome-Based Education*
- **13 July 2023:** *Rubrics*
- **14 July 2023:** *NHEQF Specifications*
- **15 July 2023:** *Departmental Discussions and Recommendations*

Participants:

The workshop saw active participation from 37 faculty members across various departments at JUET, Guna.

Outcomes and Feedback:

The workshop received overwhelmingly positive feedback. Participants appreciated the thorough and practical nature of the sessions and expressed increased confidence in their ability to align JUET's academic framework with the NEP 2020 guidelines. Many faculty members highlighted the importance of continuous capacity-building workshops to support the institution's quality assurance processes.
