

Life Skills Workshop

Event Report

Title of the event	Workshop on "Future-Ready: Developing Essential Life Skills for successful Career/entrepreneurship"
Duration of the Event	3 rd - 8 th March 2025 (one-week)
Objective of the Event	The workshop focused on: Enhancing problem-solving and decision-making abilities. Developing effective communication and teamwork skills. Understanding stress management and emotional intelligence. Preparing students for real-world challenges and career growth.
Benefits to the participants	This workshop empowered students with practical skills to navigate both professional and personal challenges.
Event Type	Workshop(Hands-on training and online-expert session)
Venue	LT-4/ Language Lab
Brief Description	The Department of Humanities and Social Sciences, in collaboration with Mulya Pravah (Inculcation for Human Values and Professional Ethics) and Jeevan Kaushal (Curriculum for Life Skills) Committee and IIC, JUET, successfully organized a one-week hybrid workshop for B.Tech students from 3rd - 8th March 2025. This workshop aimed to equip participants with necessary soft skills like critical thinking, decision-making, communication, and emotional intelligence essential for personal and professional success. The key highlights of the workshop were: • Interactive Sessions: Engaging activities like role plays, group discussions, and real-life case studies were used.(Day-1) • Expert Talks: Industry/Academic professionals shared insights on workplace adaptability and leadership skills.(Day -2) • Hands-On Learning: Participants engaged in team-building exercises and problem-solving games.(Day-3&4) • Q&A Session: Students interacted with speakers, clarifying doubts about career readiness and life management.(Day-5&6) The event witnessed enthusiastic participation from around 40 students each day and some faculty members. Participants found the workshop highly engaging and

	insightful, emphasizing the importance of life skills beyond academics. All the attendees actively listened and appreciated the event. Dr. Tamanna Agarwal, Faculty and moderator of the event has summarized the entire event for students and other attendees. The session concluded with a vote of thanks to the speakers, organizers, and participants for their valuable contributions.
No of students participated	40
