ABOUT US

Jaypee University of Engineering & Technology (JUET), Guna, established in 2010, is a premier private university in Madhya Pradesh under the MP Niji Vishwavidyalaya Adhiniyam 2007. Recognized by the UGC and accredited by NAAC with an "A+" grade in 2023, JUET is sponsored by the Jaypee Group and is dedicated to excellence in engineering and technology education.

Originally established in 2003 as Jaypee Institute of Engineering and Technology, Guna, JUET aims to provide skilled technical manpower to the region. Its strategic location in Raghogarh serves backward districts of MP and is poised to support industrial growth in the area.

Spread over a 125-acre eco-friendly campus along the Agra-Mumbai Highway, JUET boasts modern infrastructure, state-of-the-art laboratories, and a well-equipped library, creating an intellectually stimulating environment for students. JUET emphasizes knowledge building, confidence, self-discipline, personality development, and creativity, preparing students for professional and social challenges. Recognized as an "Excellent University" by the Madhya Pradesh Private University Regulatory Commission in 2018, JUET continues to prioritize research in emerging technologies to enhance its academic offerings.

VISION

Playing a pivotal role to enable the country and state of Madhya Pradesh, in particular, in developing high caliber trained manpower in the frontier areas of Technologies.

MISSION

To make the university a 'Center of Excellence' in the field of Engineering and Technology with highly developed infrastructure, excellent faculty with an international outlook and active interaction with the industry.
