

Dr. Amit Kumar Srivastava

Assistant Professor(SG), T&P Coordinator

Education: B.Tech. (CSE), M.Tech., Ph.D. (CSE)

E-mail : amit.srivastava1[AT]juet.ac.in

Contact No. : Ext. - 117

Areas of Interest: Model based Engineering, Artificial Intelligence and Computational Intelligence, Machine Learning, Robotics, Computer Vision

Brief Profile:

Dr. Amit Kumar Srivastava Kumar did his Ph.D. from Jaypee University of Engineering and Technology in the Department of Computer Science and Engineering. He received his M Tech in information Security from Motilal Nehru National Institute of Technology Allahabad, Prayagraj, U.P. Dr. Srivastava has been working with Jaypee University of Engineering and Technology, India since 2012. During his teaching career of about 9 Years, he delivered and experienced teaching subjects like Artificial Intelligence, Component-Based Software Engineering, Swarm Intelligence, Operating System, Database Management Systems, Soft Intelligence, Computational Intelligence. Apart from teaching and learning, he has successfully guided 3 M.Tech research scholars in the area of Software Engineering and Computational Intelligence, and he is currently supervising 1 Ph.D. research scholars in the domain of Automation of self-driving car (field of Computer Vision).

Dr. Srivastava has completed a certification course of Intellectual property rights from the World Intellectual Property Organization, Geneva. He has published several national/international research papers. He is a member of the technical program committee of various Journal and Scopus indexed conferences. His area of interest is Model-based Engineering, Artificial Intelligence, and Computational Intelligence, Machine Learning, and Computer Vision.

He is an active member of a team of workshops with School Teachers whom he has been training regularly on Python Programming, Machine Learning, AI, Databases, etc.
